

RUTHY BALLARD, Ph.D.

Award-winning Children's Book Author and Scientist

CLASSROOM VISITS – SCHOOL ASSEMBLIES – STAR PARTIES

“I’m going to tell you a story that begins with an “unseen child” and ends on a planet with two moons. It might seem like a fairy tale at first – or perhaps science fiction – but it’s not. It’s real. How do I know? Because it’s my story. It happened to me...”

*From Module A-1:
“Gifts and Unseen Children”*

Tales by Moons-Light™ book series

A unique speaker with a powerful message, national award-winning author and scientist Ruthy Ballard will lead your students on a dazzling adventure through inner and outer space!
